LB 986

SPEAKER MARVEL: Senator Wesely.

SENATOR WESELY: Mr. Speaker, I move the E & R amendments to 986.

SPEAKER MARVEL: All in favor of that motion say aye, opposed no. Motion carried. The E & R amendments are adopted.

CLERK: Mr. President, Senator Cullan now moves to amend the bill. Read Cullan amendment as offered on page 1112, Legislative Journal.

SPEAKER MARVEL: The Chair recognizes Senator Cullan.

SENATOR CULLAN: Mr. President, members of the Legislature, I will have these amendments distributed now. It is a very simple amendment. The purpose of this amendment is to allow the financing system employed in 986 to be used for public market facilities which would include livestock auction markets. There are some communities that would like to use this system for that purpose. It is a simple amendment. I think the City of Alliance is taking a look at using this system of financing for that purpose. They lost the livestock auction company there several years ago and since the time they have lost that facility they have come to see what a tremendous financial impact a facility of that nature has on a town like Alliance and this is the purpose of the amendment.

SPEAKER MARVEL: Senator Koch.

SENATOR KOCH: Mr. Speaker, I rise to support Senator Cullan's amendment. He has visited with me about this and I think it is not unreasonable and accept as such. I move for the adoption of the amendment.

SPEAKER MARVEL: Senator Keyes.

SENATOR KEYES: Yes, just a question. Who introduced this bill? I want a question about the bill before I accept any amendments.

SPEAKER MARVEL: Senator Cullan, do you want to answer the question?

SENATOR CULLAN: Senator Koch is, the Urban Affairs Committee, I believe, is the sponsor of the bill.
